

Dear Osamu Hasegawa,

On behalf of Techfest, IIT Bombay I would like to thank you for your valuable contribution to our Lecture Series. Although we strive to provide the best instructional experiences we can for our students, we cannot replicate the world of work experiences you presented to the students. We are sure they will remember your presentation and that it will be a great source of inspiration as they pursue their occupational interests. Your contributions are highly appreciated. We feel honored to have a person of your status at Techfest and magnifying the image of our festival. We believe that you may have a busy schedule throughout the year, but we will always be gratified to you for the time you devoted for Techfest. It has been a pleasure and a privilege to have you here for the 16th edition of Techfest, a student initiative which was born with the vision of providing a platform for students to get an opportunity to interact with pioneers of modern technology. Thanking you once again.

K.V. Deepak
