Subject: Invitation to be a guest lecturer at Kshitij, IIT Kharagpur.

Dear Sir,

With regards to the aforementioned subject, and by your kind consideration, it gives me great pleasure to invite you to deliver a lecture at Kshitij, the annual techno-management symposium of IIT Kharagpur, scheduled from 1st-4th February, 2013. We give you the liberty in terms of the topic you wish to present, as we believe that quite a bit of your work is applicable to the students here.

IIT Kharagpur is a centre of excellence in education and research, and each year produces pioneers in the field of science, technology, and management. Moreover, Kshitij, Asia's largest techno-management fest, provides a platform for students across the globe to share their ideas, hence bringing knowledge out of the confines of lecture rooms and notebooks. Throughout the world, your work has been admired by one and all, while the entire student fraternity has always followed your life quite dedicatedly. Your address to the students (both in house and out station participants) and faculty will enable them to gain knowledge from your expertise and experience, and will further inspire them to achieve greater heights. Other activities may include joining a few of the students and faculty for lunch or dinner, and sharing your life experiences, the lows and highs of your professional career. Your expenses within the campus, be it travel, meal or lodging, will all be covered by us.

It is indeed a privilege and honour to once invite you to address the inquisitive gathering at IIT Kharagpur.

Anticipating an affirmative from your end,

Yours sincerely,

Prof. Manish Bhattacharjee
President
